It is my pleasure and honor to recommend Mr. Subhalingam D. for any job – related application. I have supervised and mentored Subhalingam during his internship at MateRate Education Pvt. Ltd., where he used his analytical and innovative skills to deliver spectacular results in the role of Web Development and AI/ML Development. Subhalingam's exceptional skills, professional experience, and personal qualities made him a valuable addition to the organization and I am sure he will be a powerful asset at any company / institute fortunate to have him.

As a part of the Web Development and AI/ML Development team at MateRate, Subhalingam demonstrated his proficient understanding of designing and developing the portals to easily and efficiently perform his ground research.
